Dear Adam,

Just wanted to send you a quick thank you note for your show here at the Harbors. You were extremely accommodating and I appreciate all your efforts. The performers were absolutely hysterical and our group of residents, who can be very fickle, had an amazing time. I have received nothing but positive feedback, and I myself was laughing out loud the whole time. The residents want you guys back every month! I look forward to welcoming you back this spring, and would like to talk to you soon about making this a regular event here.

Thanks again,

Paul DiLeo
