Dear Adam

Just a note to let you know what a huge success Comedy Night was at Temple Emeth.

When we booked your show during the summer, at the suggestion of one of our congregants, I was concerned how the evening would go. I had nothing to worry about! You were kind enough to walk me through the entire process keeping in touch from the time we booked until show time.

Andrea and Alex came into our Social Hall ready to relate to the audience, be friendly and oh so funny. Your comments on life in the NY/NJ area and your Jewish roots were great and so relatable to our group.

Our Social Hall was filled to the brim with congregants and their friends; everyone having a great time. I hope the Fundraising Committee opts to do another Comedy Night next year and you're the first person I'll call.

Thanks so much for taking the stress out of doing an event at Temple. You guys were the best!

Best regards,
